

REMARKS

Applicant submits this amendment to correct a typographical error in claim 14. Applicant submits that this amendment does not alter the scope or claim 14 or present any new issues and respectfully requests that it be entered.

Also, in the Examiner's Amendment, one of the amendments made to claim 2 was to insert "entity" after the word "second" in line 4. Applicant believes that this was a clerical error as claim 2 does not have a line 4 and does not include the word "second." As such, the above listing of the claims does not reflect this amendment to claim 2.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
